exude

(verb) eks-YOOD

Exhibit or show a particular quality or feeling; slowly release an odour or moisture, such as sweat.

If the property has been lived in for a long time with old carpets that have never been shampooed they can **exude** quite pungent odours.

Lynn Underwood, *One's Company: A Practical Guide to Enjoying Your Independence* .

In 2005 the A-lister endured heartache when she split from husband Eric Benet, but after over year with the Montreal-born hunk Halle seems to **exude** a new sense of wellbeing.

Unattributed, *Hello Magazine*, 29 March 2007. Hello Magazine

Parisian women **exude** a faultless, sultry sex appeal that is unmistakable.

Clare Coulson, *Telegraph*, 4 October 2006. Telegraph

Barley will not **exude** as much creamy starch as does the arborio rice used in a genuine risotto, but it does produce some, and it offers as one of its assets far more flavor than most rice, along with a heartier chew.

Mark Bittman, *The New York Times*, 21 November 2007. New York Times
